## 1. ABOUT THE INSTITUTE

Indian Institute of Space Science and Technology (IIST), situated at Thiruvananthapuram, Kerala, is a Deemed to be University under Section 3 of the UGC Act, 1956. IIST, established in 2007, functions as an autonomous institution under the Department of Space (DoS), Government of India. IIST was conceived with a vision to nurture exceptional manpower for the Indian Space Research Organization (ISRO), one of world's leading scientific organizations engaged in space research and space applications. The institute is the first of its kind in the country to offer high quality education at the undergraduate, graduate, doctoral and post-doctoral levels on areas with special focus towards space sciences, space technology and space applications.

Equipped with excellent infrastructure and about 100 highly qualified faculty members, IIST has, within a decade of its inception, risen to great heights. It is ranked among the top 30 Engineering institutes of the country according to the recent NIRF rankings of MHRD with a high score of more than 75% in Teaching, Learning and Resources which is a whole lot better than many premier institutes in the country. The institute currently offers three undergraduate and fifteen postgraduate programmes that are listed below.

### Undergraduate Programmes

- B. Tech in Aerospace Engineering
- B. Tech in Electronics and Communication Engineering (Avionics)
- Dual Degree (B.Tech in Engineering Physics + Master of Science/ M.Tech in one of the following:
  - Master of Science in Astronomy and Astrophysics
  - Master of Science in Solid State Physics
  - M. Tech in Earth System Science
  - M. Tech in Optical Engineering

### Postgraduate Programmes

| • M.Tech. in VLSI and Microsystems             | • M.Tech. in Solid State Technology               |
| • M.Tech. in Power Electronics                 |                                                   |

In addition, IIST has a vibrant research environment with close to 200 PhD scholars engaged in frontline research areas. The academic programmes have been formulated to strengthen the fundamentals, provide hands-on experience through practical work, enhance the understanding and expand the boundaries of knowledge in various areas of interest. IIST focuses on inculcating the culture of innovation in students.

The curriculum labs are meticulously designed and the best experimental set-ups and equipments are provided. IIST has three Centres of Excellence in the areas of Advanced Propulsion and Laser Diagnostics, Virtual Reality and Nanoscience and Technology where students get to involve themselves in various advanced and sophisticated experiments. The many state-of-the-art research laboratories offer a unique learning environment for the students to delve into cutting-edge research.

### Research and Curriculum Laboratories at IIST

### Research and Curriculum Laboratories at IIST

Students are routinely contributing to various frontline projects like Nano-satellites, CubeSats, Space Sensors and the like. Students have taken up the design of Vyom Mk II sounding rocket after the successful launch of the Vyom-I rocket on May 11, 2012. On 1<sup>st</sup> April this year, IIST successfully accomplished an ionospheric science mission ARIS (Advanced Retarding Potential Analyzer for Ionospheric Studies) onboard PS4 stage of ISRO's PSLV C45.

### IIST ventures into space

Substantial opportunities exist for undergraduate students to carry out their credited internships and projects at ISRO Centres and other premier institutes both in India and abroad with funding from IIST and/or the host institutes. IIST has tie-ups with institutes like University of Boulder, Colorado, USA, Jet Propulsion Laboratory, California, USA, Australian National University, Canberra, Australia, and Nanyang Technological University, Singapore, for student internships.

To propel the bright minds to excel, the top academic performer of Aerospace Engineering and Electronics and Communication Engineering branches of the undergraduate programme are offered an excellent opportunity to undertake their Masters' at the world renowned California Institute of Technology (Caltech), USA. The above 9-months Masters' course is financially fully supported under the DoS-Caltech Professor Satish Dhawan Endowment Fellowship. On return these students are absorbed in ISRO.

IIST undergraduate students have also secured internships on their own at prestigious academic institutes like Lockheed Martin's Undergraduate Student Visitation Program and Mitacs Globalink Research Foundation, Canada.

Undergraduate and Dual Degree students are offered performance based DoS financial assistance for every semester (detailed in Section 6). Additionally, undergraduate and Dual Degree students, on successful completion of their degrees, have an opportunity to be absorbed into the prestigious centres of ISRO subject to vacancies available and fulfilment of academic criteria as described in Section 7. This gives them a golden opportunity to be involved in ISRO's missions and contribute significantly towards India's Space Programme. This is ensured through the execution of a surety bond during the time of admission to IIST. Other students have placement opportunities coordinated by IIST's Placement Cell.

\*\* In 2014, B.Tech in Physical Sciences (PS) was revamped into a 5 year Dual Degree Programme. The first batch, who joined in 2014, will graduate in 2019.

IIST promises a vibrant campus life for the young and energetic students amidst the serene greenery close to the foothills of the Sahyadri ranges.

### **Campus life at IIST**

There are well equipped hostels, student canteens, cafeteria, bank and ATM, play grounds, gyms, etc. Very good medical and counselling facilities are also available on campus. Clubs like the Astronomy Club, Robotics Club, and Mathematics Club are very active in the campus. Conscientia, IIST's Astronomy & Technical Fest, is organized every year by the students to trigger innovative ideas. For their holistic growth, IIST encourages students in extra-curricular pursuits like sports and cultural activities. IIST's Annual Cultural Fest, Dhanak is now one of the most popular student festivals in south India, where a large number of students converge to showcase their talent. Festivals and events are celebrated with enthusiasm by the student community with active participation from the entire IIST fraternity.

## **2. UNDERGRADUATE PROGRAMMES: AN OVERVIEW**

### ***Aerospace Engineering (AE)***

The B. Tech programme in Aerospace Engineering at IIST is oriented towards the needs of Space Technology, and has significant overlap with Mechanical Engineering. In addition to the traditional courses in Aerospace Engineering, it includes courses in Mechanical Design, Manufacturing Science, and Space Dynamics. A B.Tech degree in Aerospace Engineering enables student to specialize in Flight Mechanics, Aerodynamics, Thermal and Propulsion, Structure and Design and Manufacturing Science. (visit <https://www.iist.ac.in/academics/curricula> for detailed curriculum and syllabus)

### ***Electronics and Communication Engineering (Avionics) (ECE)***

This programme offers a well-knit symbiosis of Electrical, Electronics, Communication Engineering and Computer Science. It provides a special focus on Avionics which covers electronics related to aerospace systems. A student with a B.Tech degree in ECE can pursue higher studies in areas such as Digital Signal Processing, RF & Microwave Communications, Antenna, Power Electronics, Microelectronics, Control Systems, Computer Science and Engineering, etc. (visit <https://www.iist.ac.in/academics/curricula> for detailed curriculum and syllabus).

### **Dual Degree Programme (DD)**

This programme involves the study of the combined disciplines of Physics, Mathematics and Engineering. The first year of the Dual degree programme covers basic courses in science and engineering (common for all undergraduate programmes). The second and third years of the programme will comprise mainly of foundation courses in Physics and Engineering. In the fourth year, the student will pursue one of the four postgraduate specialization streams that will lead to a Master of Science or M.Tech degree. The fifth year of the programme is dedicated to a research project in the field of specialization.

- The Master of Science Programme in Astronomy & Astrophysics aims at introducing students to the application of physics concepts to planets, stars, galaxies, and the Universe as a whole.
- The Master of Science programme in Solid State Physics is targeted towards a research career in semiconductor devices, and device physics in general. The programme is also designed as a stepping stone for students interested in pursuing advanced research in Condensed Matter Physics.
- The M. Tech programme in Earth System Science aims at introducing students to the various components of the Earth System and their interactions. Earth system is the complex system of interacting physical, chemical and biological processes in Planet Earth; manifested through its various elements such as the atmosphere, hydrosphere, geosphere and biosphere.
- The M. Tech programme in Optical Engineering is designed to meet the present and future technology requirements of the advanced optics industry, and relevant R&D organizations. Some of the technologies, students will be trained in, include, Opto-electronics, Lens design and Optical fabrication and Adaptive optics.

(visit <https://www.iist.ac.in/academics/curricula> for detailed curriculum and syllabus)

### **3. SEAT MATRIX FOR UNDERGRADUATE PROGRAMMES**

**Table 1: Undergraduate and Dual Degree Programmes**

Sl No.	Programme	No. of Seats	Duration
1	B.Tech in Aerospace Engineering	60 + 6**	4 years
2	B.Tech in Electronics and Communication Engineering (Avionics)	60 + 6**	4 years
3	Dual Degree†(B.Tech and Master of Science/ M.Tech)	20 + 2**	5 years

#### **Important Notes:**

(1) \*\*: Beginning 2019 academic year and as per the recent directive, reservation for the Economically Weaker Sections (EWS) to the extent of 6 (six), 6 (six), and 2 (two) seats (10% of last year's total strength) in the branches of Aerospace Engineering, Electronics & Communication Engineering and Dual Degree, respectively is being implemented.

(2) †: The Dual Degree Programme is a 5-year (10 Semesters) Programme. On successful completion, the students are awarded a B.Tech. degree in Engineering Physics and a Master of Science/ M.Tech. degree in one of the following four postgraduate streams:

- Master of Science in Astronomy and Astrophysics
- Master of Science in Solid State Physics
- M.Tech. in Earth System Science
- M.Tech. in Optical Engineering

Students will be allotted their postgraduate streams at the end of the sixth semester based on their preference and academic performance upto sixth semester. The seat matrix specifying minimum and/or maximum for each of the streams will be notified to the students during the sixth semester.

**There is no exit option with a B.Tech degree in Engineering Physics.** However, based on academic performance, Director, IIST has the discretion not to promote students with unsatisfactory performance to the Masters' level. These students may be allowed to exit with a B.Tech degree in Engineering Physics with specified norms worked out by the Department and approved by the Academic Council and Board of Management of IIST.

#### 4. RESERVATION OF SEATS

As per the reservation policy of Government of India applicable to Central Educational Institutions (CEI), candidates belonging to the following categories are admitted to reserved seats based on relaxed criteria. The categories and the corresponding percentage of reservation are:

- Scheduled Castes (SC): 15%
- Scheduled Tribes (ST): 7.5%
- Other Backward Classes (OBC) belonging to Non-Creamy Layer (NCL): 27%
- Persons with Disabilities (PD) : 5% (Horizontal Reservation)
- Economically Weaker Section (EWS): As below.

Beginning 2019 academic year and as per the recent directive, seats to the extent of 6 (six), 6 (six), and 2 (two) seats (10% of last year's total strength) in the branches of Aerospace Engineering, Electronics and Communication Engineering and Dual Degree, respectively, are reserved for the EWS category.

The above listed categories are the **ONLY** reservation categories for admission to the undergraduate programmes at IIST.

#### **Important Notes:**

- *EWS Candidates:*  
Eligible candidates applying under EWS category are required to produce a EWS certificate issued by a competent authority in the prescribed format given in APPENDIX–I. **Certificates in any other format will not be accepted.** . The certificate (in original) must be produced at the time of verification at the specified Reporting Centres, failing which the candidature will not be considered for admission under the EWS category.
- *SC/ST Candidates:*  
Candidates belonging to SC/ST categories are required to produce the original Scheduled caste/tribe certificate issued by a competent authority in the prescribed format given in APPENDIX–II. **Certificates in any other format will not be accepted.** The documents (in original), must be produced at the time of verification at the specified Reporting Centres, failing which the candidature will be cancelled. Seats remaining vacant under ST category shall be allotted to SC candidates. Seats remaining vacant under the SC/ST categories shall not be filled by candidates belonging to any other category.

- **OBC-NCL Candidates:**

Under the OBC-NCL category, only castes mentioned in the Central list of OBCs, published by the Department of Personnel and Training, Government of India, will be considered. In addition, the candidate should also satisfy the condition of non-creamy layer as defined by the Government of India. Seats remaining vacant under this category shall be allotted to General candidates.

The OBC-NCL candidates seeking the benefits of reservation are required to produce the **original certificate issued on or after 1<sup>st</sup> April, 2019** by a competent authority in the prescribed format given in APPENDIX–III. **Certificates in any other format will not be accepted.** The certificate (in original) must be produced at the time of verification at the specified Reporting Centres, failing which the candidature will not be considered for admission under the OBC-NCL category. Candidates belonging to the OBC-NCL category are also required to submit a declaration/undertaking in the format given in APPENDIX–IV.

- **PD Candidates:**

5% seats are reserved for PD candidates. The benefit of reservation would be given only to those who have at least 40% physical impairment. Candidates seeking benefit under this category are required to produce original certificates, issued by a district medical board/ competent authority, at the time of verification at the specified Reporting Centres, failing which the candidature will not be considered for admission under the PD category.

## 5. SEMESTER FEE STRUCTURE

The fee structure per semester is as follows:

**Table 2: Fee structure per semester**

Sl No.	Fee Component	Amount (INR)
1.	Tuition Fee	20000
2.	Establishment Fee	8000
3.	Student Amenities Fee	4000
4.	Medical Charges	2000
5.	Hostel and Dining Charges	14400
	<b>Total</b>	<b>48400</b>

### **Important Notes:**

(1) The First Semester Fee has to be paid through online transfer at the time of acceptance of allotted seat during the admission process. Fees for the remaining semesters have to be paid at the beginning of each semester before the notified date.

(2) At the time of joining the institute, students are required to remit a caution deposit of INR 13000 which is refundable (without interest) at the time of leaving the institute.

(3) Hostel and Dining charges are applicable only for the academic period of the semester and hence will not cover expenses incurred during the vacation period, except at the end of sixth semester, when students undertake credited Summer Internships.

(4) Any revision to Medical, Hostel and Dining charges will be informed well in advance.

## 6. DoS FINANCIAL ASSISTANCE

DoS offers performance (Semester Grade Point Average–SGPA) based financial assistance to all undergraduate and Dual Degree students. It is mandatory for the students to avail this financial assistance. Students and their parent are required to sign a surety bond [see Section 7 (2)/ 7(3)] for the same at the time of joining IIST.

The financial assistance scheme per semester is detailed below:

**Table 3: Financial assistance scheme per semester**

Sl No.	Category	Academic Criteria	Assistance Amount (INR)
1.	General / EWS/ OBC-NCL	SGPA of 7.5 and above ( $\geq 7.5$ on a scale of 10)	48400
2.	SC/ ST/ PD	SGPA of 6.5 and above ( $\geq 6.5$ on a scale of 10)	48400
3.		SGPA between 5.5 and 6.5 ( $\geq 5.5$ and $< 6.5$ on a scale of 10)	20000 (to cover only Tuition Fee)

### **Important Notes:**

(1) Full/ Partial financial assistance will be awarded to the students at the end of the semester after declaration of semester results.

(2) Students who are eligible for full financial assistance for the semester will receive a book grant of INR 3000 for that semester. Prior approval, production of bill and verification of purchased book(s) are essential to avail the book grant.

## 7. ABSORPTION IN ISRO/DoS

Based on notified vacancies in different specializations, by ISRO, undergraduate and Dual Degree students will be absorbed as Scientist/ Engineer-SC, subject to fulfilment of the following conditions applicable to **ALL** categories of students;

- Students should successfully complete the B.Tech and Dual Degree Programmes in 4 (four) and 5 (five) years, respectively.
- Students should secure minimum Cumulative Grade Point Average (CGPA) of 7.5 (on a scale of 10) at the end of B.Tech and Dual Degree Programmes.
- Students are required to be fully medically fit as per ISRO norms.

**ISRO/ DoS do not guarantee job to all eligible students. Absorption will be in the order of merit based only on vacancies notified by ISRO/ DoS for IIST absorption for that particular year.**

### **Important Notes:**

(1) Currently, Scientist/Engineer- ‘SC’ is placed in Level 10 of the Central Government 7th pay commission Pay Matrix Table. The basic emoluments at present amount to approximately INR 56,100 p.m. In addition, House Rent Allowance [HRA], Dearness Allowance [DA] and Transport Allowance at the prescribed rates in force at the place of posting are applicable. The employees are governed by

the National Pension System. Medical facilities for self and dependants, Leave Travel Concession, Group Insurance, etc., are also available.

(2) Students, their parent and a surety are required to sign a surety bond (on a INR 500 non-judicial paper), in the prescribed format given in APPENDIX-VI, at the time of joining IIST.

(3) Students who are offered a job in ISRO/DoS are mandated to serve as Scientist/Engineer-‘SC’ in the allotted ISRO/DoS centres **for a minimum period of 3 (Three) years**. A student not accepting the ISRO/DoS job offer is liable to **pay INR 10 (Ten) Lakhs** (and any accrued interest till the date of payment). Having secured a job in ISRO/DoS and having joined service, a student resigning from ISRO/DoS before completing the mandatory minimum period of 3 (three) years, shall pay as per the following norms:

- Student with less than one year of service in ISRO/DoS – INR 10 (Ten) Lakhs
- Student with one to two year service in ISRO/DOS – INR 9 (Nine) Lakhs
- Student with two to three year service in ISRO/DOS – INR 8 (Eight) Lakhs

The payment will be made to IIST or the respective ISRO/ DoS centre, the latter after the transfer of the bond to the respective ISRO/DoS centre is effected.

(4) ISRO has provisions for its scientists/ engineers to pursue higher studies.

(5) Students who are not offered job by ISRO/DoS will be free of any financial obligations notwithstanding the DoS financial assistance that they have availed.

(6) For the students who are not absorbed in ISRO/DoS establishments, the Placement Cell of IIST shall put its best efforts to facilitate placement.

## **8. ELIGIBILITY FOR ADMISSION**

Candidates desirous of admission to IIST must satisfy **ALL** eligibility criteria detailed below.

- Citizenship:** Only Indian citizens are eligible to apply for admission in IIST.
- Date of Birth:** Candidates belonging to General, EWS and OBC-NCL categories must have been born **on or after October 1, 1994**. Candidates belonging to SC/ ST and PD categories must have been born **on or after October 1, 1989**.

The date of birth as recorded in the certificate of high school/ first Board/ or its equivalent will be accepted. If the certificate does not mention the date of birth, candidate must, at the time of accepting the seat, submit an authenticated document from a competent authority indicating the same.

- Minimum Marks Requirement in Qualifying Examination:** Candidates must have secured at least 75% aggregate marks in the Class XII (or equivalent – see below for list of Qualifying Examinations) Board examination. The aggregate marks for SC, ST and PD candidates should be at least 65%. The marks scored in the following five subjects will be considered for calculating the aggregate marks:

- Physics
- Chemistry
- Mathematics
- A language (if the candidate has taken more than one language, then the language with the higher marks will be considered)
- Any subject other than the above four (the subject with the highest marks will be considered)

**Important Notes:**

- (1) For calculation of aggregate marks, if the mark awarded in a subject is not out of 100, then the mark will be scaled (up or down) to 100 so that the total aggregate mark is out of 500.
- (2) In case a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit the same at the time of admission.
- (3) For candidates who appeared in the Class XII (or equivalent) Board examination in 2018 but reappeared in 2019, the best of the two performances will be considered.
- (4) In case a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only Class XII marks will be considered.
- (5) In case a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.
- (6) If a candidate passes Class XII (or equivalent) in 2018, but writes any of the required subjects (mentioned above) in 2019 for improvement or any other reason, then the aggregate percentage will be calculated by considering the best of the two performances in the required subjects.
- (7) For any other cases, the decision taken by the IIST Admission Committee will be considered final.

**List of Qualifying Examinations:** Any one of the following will be accepted as the Qualifying Examination:

- The final examination of the 10+2 system, conducted by any recognized central/ State Board, such as Central Board of Secondary Education, New Delhi; Council for the Indian School Certificate Examinations, New Delhi; etc.
- Intermediate or two-year Pre-University examination conducted by a recognized Board/ University.
- Final examination of the two-year course of the Joint Services Wing of the National Defense Academy.
- Senior Secondary School Examination conducted by the National Institute of Open Schooling with a minimum of five subjects.
- Any Public School/ Board/ University examination in India or in any foreign country recognized as equivalent to the 10+2 system by the Association of Indian Universities (AIU).
- H.S.C. vocational examination.
- General Certificate Education (GCE) examination (London/ Cambridge/ Sri Lanka) at the Advanced (A) level.
- High School Certificate Examination of the Cambridge University or International Baccalaureate Diploma of the International Baccalaureate Office, Geneva.

In case the relevant Qualifying Examination is not a public examination, the candidate must have passed at least one public (Board or Pre-University) examination at an earlier level.

(iv) **Minimum Marks Requirement in JEE (Advanced)–2019 Examination:**

Candidates should have appeared for the **Joint Entrance Examination (Main)-2019** conducted by National Testing Agency (NTA), to qualify themselves to appear for the **Joint Entrance Examination (Advanced)-2019** conducted by IITs and secure the minimum prescribed marks

as given below:

**Table 4: Minimum Marks Requirement in JEE (Advanced)–2019 Examination**

Sl No.	Category	Minimum Marks
1.	General	At least 20% marks in aggregate and at least 5% marks in each of the three subjects (Physics, Chemistry and Mathematics)
2.	EWS/ OBC-NCL	At least 18% marks in aggregate and at least 4.5% marks in each of the three subjects (Physics, Chemistry and Mathematics)
3.	SC/ ST/ PD	At least 10% marks in aggregate and at least 2.5% marks in each of the three subjects (Physics, Chemistry and Mathematics)

## 9. ONLINE ADMISSION PROCEDURE

Candidates who are desirous to join the Undergraduate and Dual Degree Programmes offered by IIST are required to apply separately to IIST through the online application portal (<http://admission.iist.ac.in>) and follow the steps detailed below:

(i) **Registration:**

Visit the online application portal (<http://admission.iist.ac.in>) and choose the link to **Undergraduate Admission–2019**. Follow the instructions given and fill in all the details. The successfully registered candidates will be given a system generated IIST Registration Number. Candidates need to specify a password. It is the sole responsibility of the candidate to keep the password secured to avoid any misuse.

**Candidates are advised to carefully read the eligibility criteria detailed in Section 8 before registration.**

(ii) **Registration Fee Payment:**

Registration Fee payment is through e-payment mode **ONLY** and should be done by visiting the online application portal (<http://admission.iist.ac.in>) and clicking on the **PAY REGISTRATION FEE** link. Receipt of payment will be confirmed through registered E-mail and mobile number.

The Registration Fee is non-refundable and is detailed below for the various categories.

**Table 5: Registration Fee**

Sl No.	Category	Amount (INR)
1.	Male candidates in General/ EWS/ OBC-NCL	600
2.	Female candidates in General/ EWS/ OBC-NCL	300
3.	All SC/ ST/ PD candidates	300

(iii) **Publication of IIST Admission Rank List:**

- Category-wise IIST Admission Rank List will be generated **ONLY** for those eligible candidates who are successfully registered online and have paid the Registration Fee.
- IIST Admission Rank List will be prepared based on the aggregate marks scored in JEE (Advanced)–2019 Examination subject to satisfying the minimum marks prescribed in Table 4.
- Tie between candidates securing the same aggregate marks will be resolved by applying the procedure indicated below one at a time in the descending order
  - Higher rank will be assigned to the candidate who has secured higher marks in Mathematics.
  - Higher rank will be assigned to the candidate who has secured higher marks in Physics.
  - Higher rank will be assigned to the candidate who secured higher rank in JEE (Main)–2019 Examination, in the respective category.

(iv) **Filling-in of Branch Preferences:**

- Candidates whose names appear in IIST Admission Rank List are required to fill in their choice of branch in order of preference for the Undergraduate and Dual Degree Programmes as per the dates specified in Table 9 through the Online Admission portal (<http://admission.iist.ac.in>) by using their Registration Number and password.
- **After the culmination of the specified dates given in Table 9, the preferences will be locked. No further change of choice/ preference will be entertained.**
- Candidates are advised to choose the branch as per their interest.
- It is **NOT** mandatory to fill-in all three choices.

(v) **Seat Allotment/ Acceptance Rounds:**

- Detailed schedule for seat allotment/ acceptance rounds are given in Table 8 of Section 11. It should be noted that these dates are tentative and any change of date will be notified on the website.
- Based on available vacancies, seat allocation to the three branches will be done in order of merit as per the preferences filled-in by the candidates.
- Candidates who are satisfied with the seat allotment are required to choose the **FREEZE** option and proceed to confirm seat acceptance.
- **Candidates who choose the FREEZE option will not be further considered for their higher preferences, if any.**
- Candidates who wish to be considered for their higher preferences but would like to confirm their allotted seat are required to choose the **SLIDE** option and proceed to confirm seat acceptance.
- **Based on the vacancies available and on the basis of merit, branch choice will automatically SLIDE UP as per the preference order filled-in by the candidates. This will also hold after joining IIST till the closing of UG Admission-2019 (25 July 2019).**
- Candidates opting for the **FREEZE** or **SLIDE** options during a seat allocation round are required to **accept the seat** by following the process detailed below:
  - Candidates are required to make an online payment of First Semester Fee amounting to INR 48400 before the specified date/time listed in Table 8 of Section 11. **Failure to remit the First Semester Fee will amount to forfeiting the allotted seat and candidate will not be considered for any further seat allotment.**
  - The above payment is through e-payment mode **ONLY** and should be done by visiting the online application portal (<http://admission.iist.ac.in>) and clicking on the **FIRST SEMESTER FEE** link. Receipt of payment will be confirmed through registered E-mail and mobile number.
  - Candidates are required to upload scanned copies of the following documents before the specified date/ time listed in Table 8 of Section 11.
    - Class X certificate if the date of birth is mentioned in it OR birth certificate.
    - Class XII (or equivalent examination) mark sheets (for those who appeared for this examination in 2018 and/or 2019).
    - Class XII (or equivalent examination) certificate (for those who appeared for this examination in 2018 and/or 2019).
    - Category (EWS/OBC-NCL/SC/ST/PD) certificates.
  - Documents should be uploaded by clicking on the **UPLOAD DOCUMENTS** link.
  - Candidates are also required to choose the Reporting Centre where they propose to go for certificate verification.

- On successful completion of the above steps, a provisional **SEAT ALLOTMENT LETTER** will be generated. The candidates are required to download the same and carry with them to the Reporting Centres. Entry to Reporting Centres will **NOT** be allowed without this letter.
- Candidates are required to report to any of the Reporting Centres listed in Table 7 in Section 10 for the verification of original mark sheets and certificates specified above. Contact details of centres will be uploaded on the website on or before opening of registration and also appear in the provisional SEAT ALLOTMENT LETTER.
- After verification of certificates, the Reporting Centres will issue an **ADMIT CARD** which has to be produced at the time of joining IIST.
- All registered candidates who are in the published Waiting List are required to confirm their willingness to be considered in the subsequent rounds of seat allotment by logging into the Online Admission portal and selecting the **RE-VALIDATE** option on specified dates given in Table 8 and 9.
- **Candidates who do not RE-VALIDATE their registrations within the specified dates will no longer be included in the subsequent Waiting List and hence shall NOT be considered for further admission.**

(vi) **Forfeiture of accepted Seats:**

Candidates who have accepted the seat by remitting the First Semester Fee and who wish to forfeit their accepted seat can visit the Online Admission portal and select the **WITHDRAWAL** option and fill the Withdrawal Form indicating their bank account details for fee refund. #### WHEREAS

- (i) the IIST is a Society registered under the Travancore - Cochin, Literary Scientific and Charitable Societies Registration Act 1955, sponsored and established by the Department of Space, Government of India to impart education and encourage research in subjects related to Engineering and Space Science so as to prepare the students for absorption as Scientist/Engineers in Indian Space Research Organisation (ISRO)/Department of Space (DOS), subject to the conditions mentioned at (v) below.
- (ii) Students’ at the IIST are provided DOS Assitanceship subject to prescribed academic performance level. However, at the beginning of each semester every student has to remit the prescribed fees in full.
- (iii) The DOS Assitanceship package meets the expenses towards Statutory Semester Fees, Student Amenity Fee, Hostel charges (including dining), Establishment charges, Medical coverage and Book Grant\*  
 \*of these only the book grant is paid directly to the eligible students
- (iv) IIST offers Four Year B.Tech courses in Aerospace Engineering; Electronics and Communication Engineering (Avionics) and Dual Degree Five Year Course (B.Tech/Master of Science or M Tech) (hereinafter called the “Courses”).

**Signature:                  Student                  Parent / Guardian                  Surety                  Director**

- (v) The Student named Mr/Ms..... Son/Daughter of .....has been admitted for the course ..... in IIST during the academic year 2018-19. Mr. /Ms. .... on completion of ..... Programme at IIST with a minimum of 7.50 CGPA on a ten scale in four / five years of admission shall be considered for absorption as Scientist/Engineer `SC` in any of the ISRO/DOS Establishments. However, the eligible student(s) with the required benchmark of 7.50 Cumulative Grade Point Average (CGPA) on a ten scale shall be given counseling for absorption, stream-wise, in the order of Merit only to the extent of vacancies notified by ISRO Headquarters for the purpose of absorption in the year of completion of the course. The said Student will not have any claim for absorption in ISRO/DOS against the other vacancies or the vacancies notified for absorption occurring thereafter in ISRO/DOS Establishments during subsequent years.

On successful completion of course and receipt of Offer of Absorption issued by ISRO/DOS, the student/obligor hereby agrees to serve ISRO/DOS for a minimum period of three years. The rejection of Offer of Absorption issued by ISRO/DOS will amount to non-fulfillment of service obligation of three years in ISRO/DOS.

- (vi) The Student, Parent and Surety are required to furnish a Bond in favour of Director, IIST binding that the Student shall diligently complete the Course and, if inducted in ISRO/DOS as mentioned at condition (v) above, shall serve ISRO/Department of Space as nominated by the Government of India for a minimum period of three years.

Now in consideration of Director, IIST granting the Student the admission to the said Course, which offers specialized education leading to the Students' possible induction in the aforesaid jobs, We the Student, the Parent and the Surety do hereby jointly and severally undertake and promise to pay to Director, IIST the sums mentioned herein below and failing thereof to pay with interest calculated at the prime lending rate plus 3 percent per annum for the time the amounts remain unpaid.

The condition of the Bond is that if the student successfully completes the Course and if absorbed in ISRO/DOS in accordance with the stipulations mentioned at condition (v) above, serves ISRO/Department of Space immediately thereafter for a minimum continuous period of three years, the Bond shall become void; otherwise it shall be fully operative.

On successful completion of the course and probable absorption subject to conditions mentioned at (v) above, the Director, IIST shall assign his/her interest in the bond to the Director of Centre/Unit to which the student is absorbed for and on behalf of the President of India. The proceeds of the bond as and when assigned to Director of the Centre/Unit will become operative in the event the student fails to serve three years in ISRO/DOS from the date of his/her induction.

<b>Signature:</b>	<b>Student</b>	<b>Parent / Guardian</b>	<b>Surety</b>	<b>Director</b>
-------------------	----------------	--------------------------	---------------	-----------------

Other conditions of the Bond are as under:-

1. The Student shall undergo the Course and satisfy the attendance requirements as prescribed by the rules of IIST and shall not absent without prior permission from appropriate authorities of the IIST and that the Student, during the study at IIST, shall follow the prescribed rules, regulations, guidelines and other instructions as may be laid down by IIST from time to time.
2. In the event the Student is removed from the course for any of the following grounds, the Student, the Parent and the Surety shall pay to Director, IIST RUPEES TWO LAKHS plus the Assistanceship amount granted by the IIST during the Course.
  - (a) Unsatisfactory disciplinary conduct during the course at the IIST and till the date of induction into ISRO/DOS.
  - (b) Knowingly furnishing false particulars for admission to the IIST or
  - (c) Failing to give correct medical history as required at the time of counseling/admission.
3. The decision of the Director, IIST shall be final as to whether a student falls under condition 2(a, b or c) above.
4. In the event the Student withdraws from the IIST without completing the course, the Student, the Parent and the Surety shall pay to the Director the full Assistanceship amount or a part thereof (as decided by the Director), granted by the IIST during the course.
5. In the event the Student not fulfilling the ISRO/DOS induction criteria of completing the course within FOUR / FIVE years with a minimum Cumulative Grade Point Average (CGPA) of 7.50 or, as per the norms of IIST is a non performer on account of unsatisfactory academic progress and should consequently be removed from the rolls of the IIST, the Student, the Parent and the Surety shall repay the full Assistanceship amount or a part thereof, (as decided by the Director) paid to the Student during the course of study in the IIST.
6. In the event the Student (other than the Student belonging to SC, ST and PD category) while studying in IIST, fails to secure a minimum Grade Point Average (GPA) of 7.50 on a ten scale in any semester, the said Student will not be eligible for Assistanceship for the said semester.
- 6.1 For the student belonging to SC,ST and PD category, graded Assistanceship will be provided only if he/she secures a minimum GPA of 6.50 (in a scale of 10) in every semester. However SC, ST, PD category student, who secures a GPA of 5.50 and above, but less than 6.50 (in a scale of 10) in any semester, has to remit the pre-notified fees except for the Tuition fees to continue the studies in the said semester. In the event the SC, ST, PD category student secures a GPA of less than 5.50 (in a scale of 10) in any semester, he/she will not be eligible for Assistanceship for the said semester.

-------------------	----------------	--------------------------	---------------	-----------------

7. In the event the Student while studying in the IIST is found unfit on medical grounds and is removed from the rolls of the IIST on that account, the Student, the Parent and the Surety, shall pay such amount as may be decided by the Board of Management of IIST.
8. In the event the Student, after successfully completing the Course, refuses to take up Induction/service as offered by the ISRO/Department of Space, the Student shall be liable to pay to the Director, IIST, RUPEES TEN LAKHS WITH INTEREST FROM THE DATE OF COMPLETION OF PROGRAMME TO THE DATE OF REMITTANCE and in the event of the Student not doing so, the Parent and the Surety shall pay RUPEES TEN LAKHS WITH INTEREST FROM THE DATE OF COMPLETION OF PROGRAMME TO THE DATE OF REMITTANCE.
9. In the event the Student, having taken up induction, seeks release or does not satisfactorily complete service for a minimum continuous period of three years from the date of induction, the Student shall be liable to pay the following sums to the concerned Centre/Unit Director to whom the said bond has been assigned by Director, IIST for and on behalf of the President of India:-
  - (i) Student with less than one year of service in ISRO/DOS – Rupees TEN Lakhs
  - (ii) Student with one to two year service in ISRO/DOS – Rupees NINE Lakhs
  - (iii) Student with two to three year service in ISRO/DOS – Rupees EIGHT Lakhs

and in the event the Student not doing so, the Parent and the Surety shall pay the sums as mentioned above.
10. In the event of any violations as above, necessitating recovery of any amount with interest from the Student, Parent and /or Surety, the Director, IIST or any other authority appointed in this regard will be at liberty to recover such amount or the loss assessed from any one or all of the above parties.
11. The education is sponsored for induction/absorption in ISRO/DOS subject to vacancies notified for absorption which may arise in ISRO/DOS in the year the Student/Obligor completes the course and not a gratuitous service. The Student, Parent and Surety are fully convinced of these matters and agreed the terms of this bond with free will and consent.
12. We (student, parent/guardian, surety) have thoroughly read and understood the terms and conditions provided in the Rules and Regulations of Students-2018 and agreed to abide by those terms and conditions and this bond is executed
