

# Indian Institute of Space Science and Technology

**Thiruvananthapuram - 695 547**

### Class Time Table for I Semester PG Programme

### Odd Semester Aug-Nov 2025-26

Department of Mathematics

| Period | Time | 1<br>09:00-09:50 | 2<br>09:55-10:45 | 3<br>11:00-11:50 | 4<br>11:55-12:45 | 12:45-13:45           | 5<br>13:45-14:35 | 14:45-17:15 |         |
|--------|------|------------------|------------------|------------------|------------------|-----------------------|------------------|-------------|---------|
| Mon    |      | A                | F                | E                | D                | L<br>U<br>N<br>C<br>H | H                | W           |         |
| Tue    |      | B                | A                | F                | E                |                       | G                | X           |         |
| Wed    |      | C                | B                | A                | F                |                       | G                |             | P       |
|        |      |                  |                  |                  |                  |                       |                  | H           | SEMINAR |
| Thu    |      | D                | C                | B                | A                |                       | G                | Y           |         |
| Fri    |      | E                | D                | C                | B                |                       | H                | Z           |         |

H - Slot Timing : Wednesday 14:40- 15:30, Monday & Friday 13:45 - 14:35

P- Slot Timing: 16:30-18.00

| M.Tech. Machine Learning and Computing |        |                 |                                                  |                                     |
|----------------------------------------|--------|-----------------|--------------------------------------------------|-------------------------------------|
| Course Code                            | Credit | Slot            | Course Title                                     | Faculty                             |
| MA613                                  | 3      | A(M,T,W)        | Data Mining                                      | Dr.Sumitra.S                        |
| MA611                                  | 3      | B(T,Th,Fr)      | Optimization Techniques                          | Dr.N.Sabu                           |
| MA617                                  | 3      | C               | Numerical Linear Algebra                         | Dr.E.Natarajan                      |
| MA618                                  | 3      | D               | Foundations of Machine Learning                  | Dr.Raju K George                    |
|                                        | 3      | F               | Reinforcement Learning in Practice (Elective)    | Dr.Vineeth B.S                      |
| MA869                                  | 3      | F               | Discrete Mathematics and Graph Theory (Elective) | Dr.Deepak.T.G, Dr.Kaushik Mukherjee |
| AVD862                                 | 3      | A(Th),B(W),H(M) | Digital Image Processing (Elective)              | Dr.Deepak Mishra                    |
| MA634                                  | 1      | W               | Foundations of Machine Learning Lab              | Dr.Raju K George                    |
| MA632                                  | 2      | X,Z             | Data Modelling lab 1                             | Dr.Sumitra.S                        |
| MA633                                  | 1      | Y               | Data Mining Lab                                  | Dr.Sumitra.S                        |
|                                        |        | P               | Career guidance and placement related activities | Placement Cell                      |

**\*Lab sessions may start from 13:45 onwards, wherever possible**
