

Indian Institute of Space Science and Technology

Valiamala, Thiruvananthapuram

Department of Chemistry
Organises
An invited lecture on

“Femtosecond Pulsed Laser Deposition and Doping for Integrated Optics and Functional Surfaces”

Prof. Gin Jose

Chair in Functional Materials
Materials for a Sustainable Future (M4SF)
School of Chemical and Process Engineering
University of Leeds, UK

L102A Meeting Room (Inter Disciplinary Block)

3.00 PM , January 28, 2026
