

Indian Institute of Space Science and Technology (IIST)

THIRUVANANTHAPURAM

14TH IIST ASTRONOMY & ASTROPHYSICS SCHOOL

13 JULY - 22 JULY 2026

The Department of Earth & Space Sciences of IIST is organising its annual **Astronomy & Astrophysics School** from **13 July - 22 July 2026**.

The school is meant to acquaint students with the basics of astrophysics. The lectures will be at a fundamental level with introductions to more advanced topics.

Students from any one of the following academic backgrounds are eligible to apply.

M.Sc Physics

– Completed First Year and Moving to Second Year

Integrated MS(Physics)

– Completed Fourth Year and Moving to Final Year.

B.Tech (Engineering Physics)

– Completed Third Year and Moving to Final Year.

We typically receive a large number of applications from prospective participants. As the number of seats is limited, we will not be able to consider applications from students who do not belong to one of the above categories.

Interested candidates should apply online via the provided link before **May 27, 2026**.

The selected participants for the school will be informed through email by the **second week of June**.

The selected participants will have to pay a registration fee of **Rs. 1000**.
