13. Transport facility will be extended to the contract labourers/personnel on payment of 4% of their basic wage, irrespective of the boarding point. The contractor shall remit the 4% transportation charges (deducted from the contract employees who avail transport facility) in Accounts Section, by 10th of every succeeding month along with a list of the contract employees who are availing the transport facility.
14. The contract labourers/personnel positioned/deputed by the contractor shall maintain absolute integrity, devotion to duty, punctuality, discipline and proper office decorum, failing which Contractor shall be liable to make proper replacements.
15. The work shall be carried out satisfactorily and the Officer in IIST is the designated Officer for certifying the same.
16. The Contractor shall maintain a register regarding the execution of work and get it certified by the concerned authorised official every day for having completed the work satisfactorily.
17. The Contractor shall maintain all registers required under various Acts, which may be inspected by the Department as well as the appropriate Labour Enforcement Authorities
18. Wage payable to the Contract labourers/personnel will be mentioned in the format of financial bid.
19. All Contract labourers/personnel shall be informed about their monthly wages in writing. The contractor shall pay to his/her labourers/personnel the wages prescribed by IIST by Bank so that the contract labourers/personnel can draw their wages through their Bank Account (before the 5th working day of the succeeding month), failing which the contract will be viewed seriously which may result in termination of contract.

20. The Contractor shall obtain licence under the Contract Labour (Regulation and Abolition) Act, 1970 according to the number of contract labourers/personnel engaged depositing the fees and complying with the formalities. Contractor shall also seek the renewal of the registration at or before the expiry of the licence. The Contractor shall be free to work anywhere else or to undertake any contract provided that he/she shall remain responsible to IIST for the due and efficient execution of the Jobs entrusted to him/her through this contract.
21. The Contractor shall also register his/her name with EPF and ESI Organisations for the purpose of remitting EPF and ESI contributions in respect of the contract labourers/personnel engaged by him/her under the contract. The Contractor / Company shall have his / their registered office at Thiruvananthapuram and grievances / disputes of contract employees regarding EPF / ESI contribution if any, shall be resolved locally by the registered office at Thiruvananthapuram.
22. The rates of contribution towards EPF and ESI at present applicable are as under:
- | | | | |
|-----|---|-----------------------------------|--|
| EPF | - | Employee's contribution | 12% |
| | | Principal Employer's contribution | 13.15% (which includes 0.65% towards Administrative charges) |
| ESI | - | Employee's contribution | 1.75% |
| | | Principal Employer's contribution | 4.75% |
23. The Contractor shall remit the Employees contribution and the Principal Employer's contribution towards EPF and ESI every month at the rates prescribed by the respective Organisations/Department with reference to the wage fixed by IIST to the respective Authorities. Then claim reimbursement of the said contribution on or before 20th of the succeeding month on production of documentary evidence (i.e. Individual EPF/ESI admittance/Electronics Challan Receipt etc.) to the effect that both the Employee's as well as the Principal Employer's contributions towards EPF and ESI are remitted to the said authorities every month, failing which this contract will be terminated without further notice. The request for reimbursement of EPF and ESI remittances should be consolidated and submitted to the administration as a single claim on or before 20th of the succeeding month.
24. The contractor shall produce the Bank Statement showing disbursement of payment to each contract employee before submitting the bill for the following month, failing which, the bill for the following month will not be processed.
25. The Contractor shall submit his bill in triplicate along with the registers on first working day of the ensuing month to the Senior Administrative Officer, IIST for payment duly certified by the respective Controlling Officers regarding the actual number of days each contract labourer/personnel worked on day-to-day basis in respect of the preceding month. Along with the above bill also enclose the Bank statement of the previous month proving remittance of salary to each of his/her contract labourers/personnel. Successful Contractors shall open a Savings Bank account in the bank which exists within the campus.
26. Income Tax will be deducted from monthly bill payable to the Manpower Contractor and **Goods and Services Tax**, as applicable, may be claimed along with monthly wage bill and **Proof of remittance** of the same shall be submitted before claiming it for the next month.

27. Any complaint regarding deduction in salary of contract labourers/personnel by contractor (except towards bus charges) will be viewed seriously and will lead to termination of contract.
28. The Contractor shall be available in IIST and ensure that the work is carried out to the satisfaction of the Principal Employer.
29. The Contractor should strictly adhere to all statutory rules/labour laws and regulations regarding the minimum wage, EPF, ESI etc. Any violation of the above statutory provisions currently applicable will be sufficient reasons for the termination of this contract.
30. **The contractor shall provide uniform and accessories viz., overcoat, gumboot/shoes, socks, apron, nylon head cap with elastic strips., etc as applicable [uniform and accessories are applicable only for hostel and canteen areas] twice in a year at an interval of six months, at his cost.** The colour of the uniform will be decided by IIST.
31. In case the Contractor fails to carry out the work satisfactorily, the contract is liable to be terminated forthwith, without notice, and alternative arrangements made to get the work executed. Any loss incurred to the Department in this regard is also liable to be recovered from the Contractor and he will not be considered for future contracts in IIST.
32. The Contractor should replace contract labourers/personnel/Supervisors not performing the duty properly and those violating the security, safety and other guidelines of IIST, failing which the contract will be terminated.
33. The Contractor and his contract labourers/personnel should abide by all Security instructions of the IIST. He/She is not permitted to move in the campus without cause and shall not be permitted to do any work other than the work indicated in the contract.
34. If persons engaged by the Contractor are found responsible for any theft, damage, deface, break or destruction of any installations/fittings etc., in the Institution, the Contractor shall make good the loss, at Contractor's cost.
35. The Contractor shall take all safety precautions required for the execution of the work. The Department will not in any way be responsible for any injury/damage that may be caused to the Contractor or his labourers/contract personnel during the execution of the work.
36. In case of any injury or death caused to any of the persons during the course of engagement, the responsibility shall solely rest with the Contractor. IIST shall not be responsible for disabilities/loss of life of the contractor's personnel caused at IIST site. The Contractor shall alone be responsible for any compensation failing which will lead to termination of contract.
37. In case while on duty and during the course of engagement in the work premises of IIST under this contract, if any of the Contractor's workforce meet(s) with any injury, indisposition due to accident or other natural calamities, the Contractor shall ensure

that immediate and adequate medical aid viz., First-aid and subsequent treatment facilities are provided to the person(s) concerned free of cost and without fail. In addition, the Contractor shall also be liable for meeting the statutory liabilities under the ESI/EPF or Workmen's Compensation Act as detailed above.

38. All the contract labourers/personnel deployed by the Contractor by virtue of this contract shall remain the employees of the Contractor and they shall not acquire any claim whatsoever for employment in IIST or right for regularization as employees of IIST or for continued engagement under IIST. The Contractor or the worker engaged by the Contractor shall not have any right to claim for employment based on the work done through this contract.
39. Contractor shall submit a declaration to the effect that none of the persons engaged by him has a criminal background to the Senior Administrative Officer (RMT), IIST, Valiamala, before executing the work assigned to him.
40. The Contractor shall comply with all Acts, Laws including the Contract Labour (Regulation & Abolition) Act, 1970 or other statutory rules, regulations, bye-laws applicable or which might be applicable.
41. The Contractor shall strictly adhere to all laws relating to the employment of labour.
42. The Contractor shall indemnify and compensate IIST, if IIST as Principal Employer under the Contract Labour (Regulation and Abolition) Act, 1970 becomes liable to assume any liability towards the workforce engaged by the Contractor. In that event, the provisions relating to recovery as provided in the relevant clauses of the said Act shall be applicable in toto.
43. The IIST reserves the right to enter into parallel Contract(s) with any other firm(s) during the currency of the Contract.
44. IIST reserves the right to terminate the contract at any time without assigning any reasons thereof by giving the one month notice in writing without any financial implications on either side.
45. The successful contractor shall perform **bank guarantee @10% of the total contract amount as interest free Performance warranty** in the prescribed format from any of the Scheduled Banks. The bank guarantee shall be kept valid for a period of **four months** beyond the date of completion of all terms and conditions of the Work Orders.
46. Any loss incurred by the IIST is liable to be recovered from the Security Deposit. Further his/her nomination for future contract shall not be considered in IIST.
47. Disputes, if any, shall be settled mutually failing which it shall be referred to a One-Man Arbitrator to be appointed by Director, IIST in accordance with the Arbitration and Conciliation Act 1996, whose decision shall be final and binding on both the parties.
48. The Contractor shall bring the terms and conditions of this contract to the notice of each contract labourer/personnel engaged/supplied by him/her from time to time.

49. During the contract period if the agency represented by a contractor gets dissolved (liquidated) the above said agency and the contractor will be terminated. The same existing contract with an agency cannot be continued under another name within the same contract period. The successful contractor shall execute the agreement in the enclosed format.
50. Quotation must be unconditional. Any alteration or changes in rates in tender document shall be considered as invalid and liable to be rejected.
51. Every paper of the tender should be signed by the tenderer with office seal.
